**Q1. For the financial year 23/24, would it be possible to request data held on the cost of medicines/drugs procured by the trust as a gross figure and nett figure after discounts or central rebates have been applied.**

A1. The information requested is not held on a central information system. To obtain this information would require a manual review of records.

This would exceed the 'Appropriate Limit' as defined by the Freedom of Information Act 2000. The Trust therefore exempts the release of this information under Section 12(1).

12.(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with the Freedom of Information Act 2000 this statement acts as a Refusal Notice.
