1.0	**Background:**
	Trust Board is required to review its Terms of Reference on an annual basis to ensure they continue to be appropriate to its remit. The Terms of Reference was last considered in detail and approved at the Board meeting held in 25 June 2025.
2.0	**Key Issues:**
	Since June 2025, the Trust has stood down its Governance Assurance Committee and established a new Committee known as the Patient Safety & Quality Committee. As a consequence, there are a number of amendments required to the existing Terms of Reference for Trust Board to reflect these wider governance changes. In addition, we have had a number of retirements from the Executive Management Teams including two Executive Directors who were voting Trust Board Members. The revised version includes details of their successors. During each annual review, reference is made to our Partnership Agreement with DoH to ensure continued alignment. The Partnership Agreement is accessible on our website via the following link: Partnership-Agreement-between-SEHSCT-and-the-Department-of-Health-Final-Signed-05-June-2024.pdf In consultation with the Chair of Trust Board, it has been agreed to table a revised Terms of Reference for consideration.
