(8) Monitoring

Please detail how you will monitor the effect of the policy/proposal for equality of opportunity and good relations, disability duties and human rights?

All incidents involving bedrails should be reported on a Trust incident reporting (IR1) form. It is essential that it clearly states on the form if the bedrails have been in the raised or lowered position at the time of the incident. If this information is not available it should be recorded that it is unknown. It is also important to record the outcome of the reassessment of risk after an incident that involved bedrails.
