

Equality, Good Relations and Human Rights Screening Template

*****Completed Screening Templates are public documents and will be posted on the Trust's website*****

See [Guidance Notes](#) for further background information on the relevant legislation and for help in answering the questions on this template (follow the links).

(1) Information about the Policy/Proposal

(1.1) Name of the policy/proposal Provision of incontinence products

(1.2) Is this a new, existing or revised policy/proposal? Revised

(1.3) What is it trying to achieve (intended aims/outcomes)? To provide guidance to nursing and medical staff in relation to the supply of containment (incontinence products).

(1.4) Are there any Section 75 categories (see list in 3.1) which might be expected to benefit from the intended policy/proposal?
This will ensure that patients within the SE Trust have the right to have to receive an assessment, treatment and containment of their urinary incontinence as appropriate.

(1.5) Who owns and who implements the policy/proposal - where does it originate, for example DHSSPS, HSCB? SE trust

(1.6) Are there any factors that could contribute to/detract from the intended aim/outcome of the policy/proposal/decision? (Financial, legislative or other

constraints?) The policy states that where possible, the number of containment products should be limited to four per day, the chosen products should where possible be chosen from products on contract, and offers guidance where a criteria is present for some products to be chosen.

(1.7) Who are the internal and external stakeholders (actual or potential) that the policy/proposal/decision could impact upon? (staff, service users, other public sector organisations, , trade unions, professional bodies, independent sector, voluntary and community groups etc) Nursing and Medical staff within the SE Trust, service users.

(1.8) Other policies with a bearing on this policy/proposal (for example regional policies) - what are they and who owns them?

NICE guidelines on the management of urinary incontinence

Sign guidelines on the treatment of urinary incontinence

SE policy on the assessment, treatment and management of urinary incontinence.

(2) Available evidence

Evidence to help inform the screening process may take many forms. What evidence/information (both qualitative and quantitative) have you gathered to inform this policy? Specify details for relevant Section 75 categories.

<i>Details of evidence/information</i>
Cited within Policy

(3) Needs, experiences and priorities

(3.1) Taking into account the information above what are the different needs, experiences and priorities of each of the Section 75 categories and for both service users and staff.

Category	Needs, experiences and priorities	
	Service users	Staff
Gender		
Age	Policy applicable only to adults with urinary incontinence	
Religion		
Political Opinion		

Marital Status
