

Equality, Good Relations and Human Rights Screening Template

*****Completed Screening Templates are public documents and will be posted on the Trust's website*****

See [Guidance Notes](#) for further background information on the relevant legislation and for help in answering the questions on this template (follow the links).

(1) Information about the Policy/Proposal

(1.1) Name of the policy/proposal : Adult Parenteral Nutrition (PN) Guideline

(1.2) Is this a new, existing or revised policy/proposal? Revised guideline

(1.3) What is it trying to achieve (intended aims/outcomes)?

The purpose is to provide high quality, evidence-based guidance and standardisation of care for adult patients receiving PN by providing appropriate information to staff involved in caring for PN patients. It will ensure appropriate assessment, treatment and monitoring of these patients that will enable early detection and appropriate management of complications. It will also ensure PN is ordered at an appropriate time to allow pharmacy to safely prepare and deliver the product to the ward.

(1.4) Are there any Section 75 categories (see list in 3.1) which might be expected to benefit from the intended policy/proposal?

No

(1.5) Who owns and who implements the policy/proposal - where does it originate, for example DHSSPS, HSCB?

South Eastern Health and Social Care Trust

(1.6) Are there any factors that could contribute to/detract from the intended aim/outcome of the policy/proposal/decision? (Financial, legislative or other constraints?)

No

(1.7) Who are the internal and external stakeholders (actual or potential) that the policy/proposal/decision could impact upon? (staff, service users, other public sector organisations, , trade unions, professional bodies, independent sector, voluntary and community groups etc)

South Eastern Health and Social Care staff - medical, surgical, nursing, dietetic and pharmacy staff

PN patients Age16+

(1.8) Other policies with a bearing on this policy/proposal (for example regional policies) - what are they and who owns them?

None

(2) Available evidence

Evidence to help inform the screening process may take many forms. What evidence/information (both qualitative and quantitative) have you gathered to inform this policy? Specify details for relevant Section 75 categories.

Details of evidence/information

With regard to the guideline, there is no evidence relating to inequalities qualitative or quantitative.

All South Eastern Health and Social Care medical, surgical, nursing, dietetic and pharmacy staff and PN patients Age16+ are impacted by the guideline. All adult patients are eligible to be considered for PN if there is no alternative method of providing the patient's nutritional requirements. If PN is indicated in the patient, then the staff in contact with that patient will be affected by the guideline. There are no potential impacts of the policy or decision on people with multiple identities. No changes are needed to the guideline to promote equality of opportunity.
