

16 November 2016

**Our Ref:** RFI 18721

Dear

**Freedom of Information Act 2000 re patients who receive intravenous cancer drug therapies**

I am writing to confirm that the South Eastern Health & Social Care Trust (the Trust) has now completed its search for the information relating to the above which you requested on 21 October 2016.

A response to each of the questions raised is attached in Appendix A.

Under the terms of the legislation, if you are unhappy with this response you have the right to seek a review within the Trust in the first instance. If you wish to do so, please write to me at the address below.

If after such a review you are still unhappy with the response, you have the right to appeal to the Information Commissioner who will undertake an independent review. The Information Commissioner can be contacted at The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, SK9 5AF.

If you have any queries about this letter, please do not hesitate to contact me. Please remember to quote the reference number above in any future communications.

Yours sincerely

---

**L McAree (Miss)**  
**Head of Information Governance &**  
**Directorate Support**

Q1. *On average how many patients receive intravenous cancer drug therapies (includes monoclonal antibodies (mAbs)) on a daily basis across all hospital chemotherapy day units in your organisation/Trust?*

A1. Approximately 16 patients per day, receive intravenous cancer drug therapies (includes monoclonal antibodies (mAbs)).
