

30 July 2019

**Our Ref:** RFI 29713

Dear

**Freedom of Information Act 2000  
Information in Relation to Kawasaki Disease**

I am writing to confirm that the South Eastern Health & Social Care Trust (the Trust) has now completed its search for information relating to the above which you requested on 3 July 2019.

A response to each of the questions raised has been provided by the Planning, Performance and Informatics Directorate and is attached in Appendix A.

If you are unhappy as to how this request has been handled, you have the right to seek a review within the Trust in the first instance. You should write to the Information Governance Department, Lough House, Ards Community Hospital ([informationgovernance@setrust.hscni.net](mailto:informationgovernance@setrust.hscni.net)) within two months of the date of this response and your complaint will be considered and a response provided, within 20 working days of receipt.

If, after receiving a response, you remain unhappy, you can refer your complaint to the Information Commissioner at The Information Commissioner's Office –Northern Ireland, 3rd Floor, 14 Cromac Place, Belfast, BT7 2JB. It is important to note that if you refer any matter to the Information Commissioner, you will need to show evidence of having gone through the Trust's internal review procedure to try to resolve the matter with the Trust in the first instance.

If you have any queries about this letter, please do not hesitate to contact me. Please remember to quote the reference number above in any future communications.

Yours sincerely

---

**Jane McCormick**  
**Information Governance Assistant**

**Q1. For your Trust, please provide, per calendar year for the period January 2006 to December 2018 inclusive, the following information for each admission of Kawasaki Disease - ICD10 diagnosis (primary or secondary) of M303 Mucocutaneous lymph node syndrome:**

- **Year of each admission**
- **Month of each admission**
- **Patient gender**
- **Patient ethnicity**
- **Age of patient at diagnosis**
- **First four items of patient postcode (partial postcode which is non-identifiable)**

**For your ease, the information can be inserted into the below table:**

A1. Between January 2006 and December 2018 there have been 20 admissions in respect of Kawasaki Disease. Five of these were female patients and 15 were male patients. Their ages ranged from 0-25 years. All but one of these were a first time admission. Patient addresses on admission were located in Co Down and Co Antrim.
