NB: The above list is not exhaustive

(2) Available evidence

Evidence to help inform the screening process may take many forms. What evidence/information (both qualitative and quantitative) have you gathered to inform this policy? Specify details for relevant Section 75 categories.

Details of evidence/information

Qualitative:

The Policy has been developed having conducted a widespread review of existing policy and practice across HSC organisations which included focus group discussions, workshops with HR practitioners and Trade Unions to inform the new policy. The views of a wide range of stakeholders have been taken on board in shaping this new Policy.

A kick off workshop was held in February 2017 with a range of stakeholders, including trade unions and management. In April/May 2017 a series of focus groups with staff took place across a number of Trusts.

Extensive consultation with a range of stakeholders on the draft Policy happened from September 2017 right through to December 2018.

Quantitative:

Review of complaints received and time to resolve.

Local evidence includes: HR Policy Group, SET staff profile, discussion at staff meetings.
