

Equality, Good Relations and Human Rights Screening Template

*****Completed Screening Templates are public documents and will be posted on the Trust's website*****

See [Guidance Notes](#) for further background information on the relevant legislation and for help in answering the questions on this template (follow the links).

(1) Information about the Policy/Proposal

(1.1) Name of the policy/proposal

Policy for Outpatient Parenteral Antimicrobial Therapy (OPAT) for patients under the care of South Eastern Trust Consultant teams

(1.2) Is this a new, existing or revised policy/proposal?

New policy

(1.3) What is it trying to achieve (intended aims/outcomes)?

This policy is intended to set out consistent trust-wide principles on the safe management of patients requiring IV antimicrobials in the community setting under the care of SET Consultants. This policy outlines recommendations for appropriate patient selection, appropriate infective states, and monitoring/follow-up responsibilities, for Trust staff referring patients to the Trust OPAT service.

(1.4) Are there any Section 75 categories (see list in 3.1) which might be expected to benefit from the intended policy/proposal?

No

(1.5) Who owns and who implements the policy/proposal - where does it originate, for example DHSSPS, HSCB?

South Eastern Trust

(1.6) Are there any factors that could contribute to/detract from the intended aim/outcome of the policy/proposal/decision? (Financial, legislative or other constraints?)

No

(1.7) Who are the internal and external stakeholders (actual or potential) that the policy/proposal/decision could impact upon? (staff, service users, other public sector organisations, , trade unions, professional bodies, independent sector, voluntary and community groups etc)

HSC Staff, service users

(1.7) Other policies with a bearing on this policy/proposal (for example regional policies) - what are they and who owns them?

Reference to other policies and guidelines:

SET/Guide (192017) – Guidelines for the prescribing, administration and monitoring of intravenous Teicoplanin in adults

<http://iconnect/Policy%20Documents/SETGuide192017.pdf>

SET/Guide (21) 2017- Guidelines for the prescribing, administration and monitoring of intravenous aminoglycosides in adults excluding ICU/HDU

Clinical Guidelines for the Insertion, Care and Management of Peripheral Venous Cannula (including Extended –Dwell Peripheral Intravenous (ED-PIV) Cannula up to 6cms), Midline catheters (7.5-20cms) and associated IV Access equipment

Insertion and Care Management of Central Venous Access
Devices in Adults SET/ Guide (61) 2019

(2) Available evidence

Evidence to help inform the screening process may take many forms. What evidence/information (both qualitative and quantitative) have you gathered to inform this policy? Specify details for relevant Section 75 categories.

<i>Details of evidence/information</i>
<ul style="list-style-type: none"> Local and Peer Consensus Start Smart then Focus antimicrobial stewardship guidance https://www.gov.uk/government/publications/antimicrobial-stewardship-start-smart-then-focus ‘Updated good practice recommendations for outpatient parenteral antimicrobial therapy (OPAT) in adults and children in the UK.’ JAC-Antimicrobial Resistance 2019

(3) Needs, experiences and priorities

(3.1) Taking into account the information above what are the different needs, experiences and priorities of each of the Section 75 categories and for both service users and staff.

Category	Needs, experiences and priorities	
	<i>Service users</i>	<i>Staff</i>
Gender	None	None
Age	None	None
Religion	None	None
Political Opinion	None	None
Marital	None	None

Status		
Dependent Status	None	None
Disability	None	None
Ethnicity	None	None
Sexual Orientation	None	None

(3.2) Provide details of how you have involved stakeholders, views of colleagues, service users and staff etc when screening this policy/proposal.

The policy has been reviewed by a multidisciplinary team consisting of Trust consultant microbiologists, antimicrobial pharmacists and infection prevention and control lead nurses, in consultation with the ECAH Nurse Lead and Specialist Pharmacist.

(4) Screening Questions

You now have to assess whether the impact of the policy/proposal is major, minor or none. You will need to make an informed judgement based on the information you have gathered.

(4.1) What is the likely impact of equality of opportunity for those affected by this policy/proposal, for each of the Section 75 equality categories?			
Section 75 category	Details of policy/proposal impact		Level of impact? Minor/major/none
	Services Users	Staff	
Gender	None	None	None
Age	None	None	None
Religion	None	None	None
Political Opinion	None	None	None
Marital Status	None	None	None
Dependent Status	None	None	None
Disability	None	None	None
Ethnicity	None	None	None
Sexual Orientation	None	None	None

(4.2) Are there opportunities to better promote equality of opportunity for people within Section 75 equality categories?	
Section 75 category	Please provide details
Gender	No
Age	No
Religion	No
Political Opinion	No
Marital Status	No
Dependent Status	No
Disability	No

Ethnicity	No
Sexual Orientation	No

(4.3) To what extent is the policy/proposal likely to impact on good relations between people of different religious belief, political opinion or racial group? minor/major/none		
Good relations category	Details of policy/proposal impact	Level of impact Minor/major/none
Religious belief	None	None
Political opinion	None	None
Racial group	None	None

(4.4) Are there opportunities to better promote good relations between people of different religious belief, political opinion or racial group?	
Good relations category	Please provide details
Religious belief	No
Political opinion	No
Racial group	No

(5) Consideration of Disability Duties

(5.1) How does the policy/proposal encourage disabled people to participate in public life and promote positive attitudes towards disabled people?

N/A

(6) Consideration of Human Rights

(6.1) Does the policy/proposal affect anyone’s Human Rights?
Complete for each of the articles
