Date of Trust Board Meeting: 24 February 2021
Confidential or Public Agenda: Confidential & Public
Agenda item: Chair's Report

Colleagues,

This was a very short time period in which to report back and given the ongoing restrictions I have not attended any on-site or off-site locations and continue to work from home restricting my Trust HQ attendance to one day per week.

I was in direct communication with Patricia Donnelly and she asked me to pass this message to you the Board:

*You should very proud of the achievements by the Trust and the leadership shown
Please also thank your fellow board members for their continued support*

*Patricia Donnelly
Head of Covid-19 Vaccination Programme

Annual appraisals have taken place for all Non-Executive Directors from the period 1st April 2019 – 31st March 2020 and submitted to the Department for their sign off.

I have also participated in a number of online meetings with NICON, NHS Chairs, HSC Chairs and Chief Executives Forum.

Jonathan
