Q1. Do you know if you hold information on which Health Professionals are involved in CES Claims and if this type of information can be requested by Freedom of Information.

A1 The information requested is not held on a central information system. To obtain this information would require a manual review of records.

This would exceed the 'Appropriate Limit' as defined by the Freedom of Information Act 2000. The Trust therefore exempts the release of this information under Section 12(1).

12.-(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with the Freedom of Information Act 2000 this letter acts as a Refusal Notice.
