

Keeping safe Online

This guide will help you to keep safe when you are using social media or the internet.

	<p>There are lots of good things you can do on the internet.</p>
	<p>Here are some tips to stay safe.</p>
	<p>Do not add strangers as friends on your social media pages – facebook, snap chat, Instagram, whats app.</p>
	<p>Do not share personal information like your address or passwords.</p>
	<p>Keep you accounts PRIVATE. Keep your profile hidden and not for everyone to see. Ask your family to check your security settings.</p>

 	<p>Don't talk to people you don't know in private. This can be unsafe.</p>
 	<p>Do not give out your address or where you are.</p>
 	<p>Do not send naked pictures of yourself to anyone.</p>
<p style="text-align: center; color: blue; font-size: 1.2em;">Warning signs that you are not safe</p> <div style="display: flex; justify-content: space-around; align-items: center;">    </div>	
 	<p>Someone you do not know gives you lots of compliments.</p>
  	<p>People you don't know ask you to be their girlfriend/boyfriend.</p>

	<p>Strangers from foreign countries talk to you or ask to be your friend.</p>
	<p>People you don't know ask you to send naked photos or videos.</p>
	<p>Private messages from strangers.</p>
	<p>Strangers asking you for money.</p>
	<p>Strangers asking you to meet up in private.</p>
	<p>Strangers sending you naked pictures.</p>

	<p>What should you do if this happens to you?</p>
	<p>Come off line. Stop using social media.</p>
	<p>Tell someone you trust like your Mum and Dad.</p>
	<p>Report it to the social media site.</p>
	<p>Block it. Block any strangers on your social media accounts.</p>
	<p>If you are getting abuse on line report it to the police.</p>
