**Date of Trust Board Meeting: Wednesday 25 January 2023**

**Agenda Item: Quality Improvement Priorities Update**

**1.0 Introduction**

Since the launch of Quality4All in November 2021 the Trust has embarked on the next phase of Quality Management; building on the successes of the past 10 years of SQE programme and promoting the culture and conditions that support the delivery of the highest quality Health and Social Care for all.

**2.0 Background Information**

The Trust is committed to identifying opportunities for improvement as part of its Quality Management System approach and has identified three key priorities; Domiciliary Care, Unallocated Cases in Childrens and Unscheduled Care.

**3.0 Summary of Key Points**

The attached paper contains updates on the improvement work happening in Domiciliary Care, Unallocated Cases in Childrens and Unscheduled Care.

**4.0 Recommendation for Trust Board**

This paper provides Trust Board with an update on the Quality Improvement priorities.
