Date of Trust Board Meeting: 22/02/2023

Confidential or Public Agenda: Public

Agenda item: Quality Improvement priorities update

1.0 Introduction

Since the launch of Quality4All in November 2021 the Trust has embarked on the next phase of Quality Management; building on the successes of the past 10 years of SQE programme and promoting the culture and conditions that support the delivery of the highest quality Health and Social Care for all.

2.0 Background information

The Trust is committed to identifying opportunities for improvement as part of its Quality Management System approach and has identified three key priorities; Domiciliary Care, Unallocated Cases in Childrens and Unscheduled Care.

3.0 Brief summary of key points contained in the paper/s

The attached paper contains updates on the improvement work happening in the following strategic areas:

- Domiciliary Care,
- Unallocated Cases in Childrens and
- Unscheduled Care.

4.0 Recommendation/s for the Trust Board (please state if the paper/s is for information/noting or for approval by Board members)

This paper provides Trust Board with an update on the Quality Improvement priorities.

Lead Director: Mrs Helen Moore
