

Equality, Good Relations and Human Rights Screening Template

*****Completed Screening Templates are public documents and will be posted on the Trust's website*****

See [Guidance Notes](#) for further background information on the relevant legislation and for help in answering the questions on this template (follow the links).

(1) Information about the Policy/Proposal

(1.1) Name of the policy/proposal

Bariatrics Policy and Procedural Arrangements for the Moving and Handling of Patients and Clients with Extreme Obesity

(1.2) Is this a new, existing or revised policy/proposal?

Revised

(1.3) What is it trying to achieve (intended aims/outcomes)?

- This policy is designed to provide Managers and Staff with clear guidance with regard to the arrangements for meeting the moving and handling needs of patients and client with extreme obesity and to ensure that safe manual handling is employed so far as is reasonably practicable.
- It is also intended that the Policy will inform staff of the processes in place in SET to access specialist equipment

(1.4) Are there any Section 75 categories (see list in 3.1) which might be expected to benefit from the intended policy/proposal?

All

(1.5) Who owns and who implements the policy/proposal - where does it originate, for example DHSSPS, HSCB?

SET

(1.6) Are there any factors that could contribute to/detract from the intended aim/outcome of the policy/proposal/decision? (Financial, legislative or other constraints?)

Poor housekeeping arrangements

Financial Constraints

Patient's / Client's refusal to cooperate with safe systems of work

(1.7) Who are the internal and external stakeholders (actual or potential) that the policy/proposal/decision could impact upon? (staff, service users, other public sector organisations, , trade unions, professional bodies, independent sector, voluntary and community groups etc)

Patients / clients and staff

(1.8) Other policies with a bearing on this policy/proposal (for example regional policies) - what are they and who owns them?

SET Medical Devices Policy

SET Manual Handling Policy

Set Policy on the Prevention of Falls and Essential Care after a Fall

Policy for the Protection of Employees who are New and Expectant Mothers

Policy for Reporting Adverse Incidents under RIDDOR

(2) Available evidence

Evidence to help inform the screening process may take many forms. What evidence/information (both qualitative and quantitative) have you gathered to inform this policy? Specify details for relevant Section 75 categories.

Details of evidence/information

Assisted Capital Development with specifications for New Builds in UHD, including ceiling track hoists and ordering of manual handling equipment including bariatric hoists and slings

Clarification with Capital Development regarding location of universal room in ASB and distribution of bariatric handling aids

Member of CAGs for Community Equipment Framework and Community Bed Contracts

Involvement with Total Bed Management Group regarding arrangements for accessing bariatric beds, reporting faults, arranging local training etc

Maintaining newtwork of trained manual handling assessors across SET

Face to face and written communications with Managers and staff regarding processes for ordering specialist equipment

(3) Needs, experiences and priorities

(3.1) Taking into account the information above what are the different needs, experiences and priorities of each of the Section 75 categories and for both service users and staff.

Category	Needs, experiences and priorities	
	Service users	Staff
Gender	N/A	HSE Guidelines for the handling of loads differ between males and females. Pregnant workers potentially more at risk. This would be identified on a generic risk assessment and prompt the assessor to take this into consideration when establishing a safe system of work. The manager will also need to undertake an individual risk assessment on new and expectant mothers.
Age	N/A	Disability rates rise with age
Religion	N/A	N/A
Political Opinion	N/A	N/A
Marital Status	N/A	N/A
Dependent Status	N/A	N/A
Disability	Patient / client specific moving and handling assessments will be required	Person with pre-existing musculoskeletal problem may be at greater risk. This would be identified on a generic risk assessment and prompt the assessor to take this into consideration when establishing a safe system of work. Staff are required to work within their capability, attend training and follow guidance provided. Staff are required to ask for help if required and to report concerns so that further action can be taken if required

Ethnicity	Interpreting Services used for those who are not proficient in	N/A
Sexual Orientation	N/A	N/A

(3.2) Provide details of how you have involved stakeholders, views of colleagues, service users and staff etc when screening this policy/proposal.

Consultation with Nursing, Physiotherapy and Occupational Therapy

Reviewed Policy sent to Scrutiny Group 12.9.2022

(4) Screening Questions

You now have to assess whether the impact of the policy/proposal is major, minor or none. You will need to make an informed judgement based on the information you have gathered.

(4.1) What is the likely impact of equality of opportunity for those affected by this policy/proposal, for each of the Section 75 equality categories?

Section 75 category	Details of policy/proposal impact		Level of impact? Minor/major/none
	Services Users	Staff	
Gender	None	HSE Guidelines will be followed when establishing systems of work for both female and male staff	None
Age	None	None	None
Religion	None	None	None
Political Opinion	None	None	None
Marital Status	None	None	None

Dependent Status	None	None	None
Disability	Guidance followed	Guidance followed	None
Ethnicity	None	None	None
Sexual Orientation	None	None	None

(4.2) Are there opportunities to better promote equality of opportunity for people within Section 75 equality categories?

Section 75 category	Please provide details
Gender	Staff Training
Age	Ditto
Religion	Ditto
Political Opinion	Ditto
Marital Status	Ditto
Dependent Status	Ditto
Disability	Ditto
Ethnicity	Ditto
Sexual Orientation	Ditto

(4.3) To what extent is the policy/proposal likely to impact on good relations between people of different religious belief, political opinion or racial group? minor/major/none		
Good relations category	Details of policy/proposal impact	Level of impact Minor/major/none
Religious belief		None
Political opinion		None
Racial group		None

(4.4) Are there opportunities to better promote good relations between people of different religious belief, political opinion or racial group?	
Good relations category	Please provide details
Religious belief	Staff Training
Political opinion	Ditto
Racial group	Ditto

(5) Consideration of Disability Duties

(5.1) How does the policy/proposal encourage disabled people to participate in public life and promote positive attitudes towards disabled people?
<p>Patient / client level of independence will be promoted as far as is reasonably practicable</p> <p>Availability of a suitable environment and equipment will improve positive outcomes and experience of patient / client</p>

(6) Consideration of Human Rights

(6.1) Does the policy/proposal affect anyone's Human Rights?

Complete for each of the articles

Article	Positive impact	Negative impact = human right interfered with or restricted	Neutral impact
Article 2 – Right to life			✓

Article 14 – Prohibition of discrimination in the enjoyment of the convention rights			✓
1 st protocol Article 1 – Right to a peaceful enjoyment of possessions & protection of property			✓
1 st protocol Article 2 – Right of access to education			✓

Please note: If you have identified potential negative impact in relation to any of the Articles in the table above, speak to your line manager and/or Equality Unit. It may also be necessary to seek legal advice.

(6.2) Please outline any actions you will take to promote awareness of human rights and evidence that human rights have been taken into consideration in decision making processes.

This policy has been considered in the light of the Human Right Act 1998

Balanced decision making is discussed at staff training and risk assessors courses. The patient / clients wishes and needs are considered.

Safe moving and handling practice is employed to provide safe and effective patient / client care

Alternative means of movement will be considered by staff where a patient/client is non compliant.

Referral to the ergonomics advisor can be offered to resolve any issues

(7) Screening Decision

(7.1) Given the answers in Section 4, how would you categorise the impacts of this policy/proposal?

Major impact	
Minor impact	
No impact	✓

(7.2) Do you consider the policy/proposal needs to be subjected to ongoing screening

Yes	
No	✓

(7.3) Do you think the policy/proposal should be subject to an Equality Impact Assessment (EQIA)?

Yes	
No	✓

(7.4) Please give reasons for your decision and detail any mitigation considered.

No impact detected. Mitigation has been introduced in to the risk assessment process eg consideration of additional needs of this category of patient / client

Safety of staff including those with disability or those who are pregnant is considered throughout the risk assessment process

(8) Monitoring

Please detail how you will monitor the effect of the policy/proposal for equality of opportunity and good relations, disability duties and human rights?

Incident Reporting
Complaints
Compliments
Staff feedback
