

Sometimes  
you can see  
what we  
write down  
about you

# How we use your information

Ask mum,  
dad, the  
person who  
is looking  
after you or  
one of us, for  
help

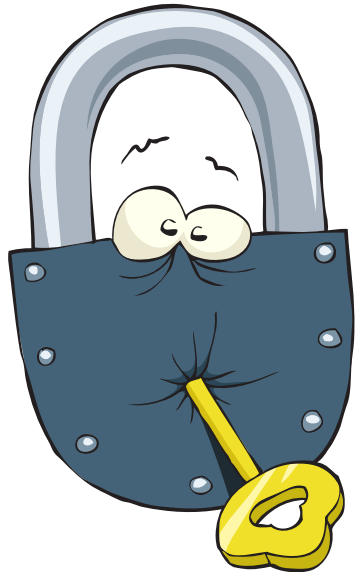

For further information contact the  
Information Governance Department  
on 028 9151 2201

We need your information to take care of you

We will talk to you, or your mum or dad, or those that look after you

We will keep your information safe

We will only use it for as long as we need to and only discuss it with people who need to know
