2. records belonging to another living individual. Please complete sections **A, B, C, D & E**

Such access is restricted to those with the appropriate legal authority. See the separate 'Access to Deceased Patient Records Application Form' for more details on entitlement and how to apply)

NOTES:

- You have the right to request a copy of your own personal information that is held by the Trust, or to authorise someone else to make a request for you. This is known as making a 'subject access request' or SAR. Completing this standard form will make it easier for us to deal with your SAR. Further details can be found on the Information Commissioner's website at this link: <https://ico.org.uk/your-data-matters/your-right-to-get-copies-of-your-data/>
- Access to personal information of a living individual is provided free of charge. However, under the terms of the UK GDPR, the Trust reserves the right to charge a fee or to refuse to respond to a request that is manifestly unfounded or excessive. For this reason please ensure your request for information is as concise and focused as possible. We will contact you if we require further details about your request.
- Repeat requests for information already provided will only be processed in exceptional circumstances. The Trust reserves the right to charge a fee for a repeat request.
- The UK GDPR allows up to 90 days for providing a response to complex requests. Please note that as requests for medical and social work records require review by a clinical / social care professional staff, the majority of requests will be deemed to be complex and will take up to 90 days to respond to. Any requests that are not deemed to be complex will be responded to within 30 days.
- To allow us to validate and process your request, it is important that you complete ALL relevant sections of this Form and provide all necessary documentation, including proof of your identity and address. The timeframe for processing a request will not commence until your request has been validated.
- Acceptable proof of identity includes, for example, a copy of your passport, driving licence, Translink Senior Citizen Smart Pass, electoral card, birth certificate or medical card. Where your ID documents do not contain your current address we may ask you to verify this.
